

Dear Friend,

The power of our community – our clients, our donors, our organization – has led to changing people's lives for the better, every day. Here's the latest on what's been going on...

A big thank you to our fundraiser attendees! We couldn't have asked for better speakers, a better crowd or better energy in the room! Sending a message of appreciation to our event sponsors: Lazare Potter Giacovas & Moyle LLP, Montieth & Company, Morvillo Abramowitz Grand Iason & Anello PC, Rothbard & Sinchuk, LLP, EmblemHealth, Michael & Elizabeth Venuti and Joseph & Christine Byrnes. Your support made a world of difference – and helped us create our best annual fundraiser yet!

OHFF is getting attention on the news. Back in June, our Executive Director Tanisha Browne and EMP graduate Melissa Berger were interviewed by WPIX 11's Monica Morales. Tanisha talked about OHFF's work & mission on the "Monica Makes It Happen" Podcast. And Melissa shared their story about receiving support from the EMP for a segment on WPIX 11's evening news. A valued partnership with an inspiring network. We're grateful for the support the Colgate-Palmolive Women's Network provided with much needed grant dollars. The funds were used to send our EMP Freshmen to campus with dorm/school supplies to get their college journeys off to a great start. The Women's Network also produced thoughtful video content to help our college juniors and seniors prepare for job interviews – and enter the workforce with confidence.

Great progress was made by our clients this year. They've earned college degrees, completed training certifications and embarked on new careers. In fact, they've changed the trajectories of their lives – with your support and community spirit.

We hope to continue to grow to serve many more clients. A gift of any size will help them continue to thrive and reach their highest potential. Your contributions can be made by check or through our website at:

And you'll be happy to know that 100% of your tax-deductible donation will be used to benefit our clients.

More success stories, more uplifting journeys. OHFF Alumni have gone on to do great things to make us all proud. We hope their stories are as inspirational to you as they have been to us.

Thank you,
